

*Photographs help us cherish our most special memories*

At Debra Zeccola Photography, we understand that you are looking for an experienced and professional photographer you can rely on to capture the images that you can save and share for a lifetime. With over 25 years of experience as a licensed professional photographer, my goal is to consistently provide dedicated, reliable, flexible and affordable photo services in the tri-state area. I enjoy capturing special moments, whether it's an elaborate affair such as your engagement or wedding or classic family portraits, reunions, headshots and more.

I provide a wide range of services with the most current photography equipment. My equipment can be transported to your desired location to make your experience more comfortable and convenient. I utilize a combination of traditional and journalistic photo styles to provide a more beautiful and realistic high definition image.
